Balforgroup Global LLP,

Dear Joanna Gray

Subject: 3D Screens – Cidade Jardim Shopping Mall

I would like to inform that we are glad about your support and attention through detailed reports and also to team responsible for the quality of 3D Screens ad. In addition it's important to emphasize that it's fantastic the public perception about it. I was there a several times, and, I saw a lot of people stopped from the screens watching and enjoying it.

This action is totally aligned with our vision, which means work hard through innovation.

This is the trend!

Please, send my greeting for Stephen and thank you very much for you, and all of you Balfour!

Great Job!

Sincerely,

Acheson
