

REF: Safestyle UK testimonial

Dear Steven,

With reference to the Tri Screen event in Broadgate London, we thought it was such a great way to hit a mass audience we just had to be involved. It's a new, innovative and impactful advertising medium and we had a great response from this campaign.

It was great working with you and we were very pleased with the level of service and the advertising we received.

Many thanks for the opportunity and all your help.

Kind regards,

Marketing Supervisor
