LETTER OF APPRECIATION.

The Balfour team,

It is not duty but a keen sense of gratitude that compels us to express our genuine appreciation. We take pleasure in informing you that the contentment we have received in our recent undertaking with you for the DSF 2008 is indeed praiseworthy of you.

What we admired and appreciated most was the interest you took in us throughout, always ensuring prompt, flexible and efficient service to the fullest. We also liked your enthusiasm and thorough professionalism. It was apparent in everything you did. All doubts were cleared, reassurance and confidence re-instilled throughout the processing period.

We take this opportunity to convey our sincere thanks to the entire team at Balfour international Group.

Our sincere admiration and the best to you.

Kind regards,

SANYO Gulf FZE,
